ARTIST / ALBUM STORY

THE BLACK ROOM brings together ten recordings that move through isolation, emotional conflict, temptation and disconnection. BULLYY GREY uses melodic vocal performances and atmospheric production to portray experiences often kept out of sight. The black-and-crimson visual campaign turns that private inner world into a place listeners can enter.

EDITORIAL ANGLES

- An independent artist building a release through GREY MUSIC GROUP
- Vulnerability and emotional complexity in melodic contemporary music
- A ten-song project with a dark cinematic visual world
